

Equal opportunities

We always work to the principles of fairness and equality of opportunity in all our recruitment processes. Contact us for more details of our equal opportunities policy.

Diversity

We are committed to creating a diverse, inclusive environment which celebrates difference and allows our staff and service users to flourish.

Confidentiality

Our services are confidential and we have an open access policy. However, situations may arise where we will be obliged to notify the relevant authority. We will also share information with other treatment providers if we refer you on.

Statement of purpose

Our goal is to help you regain control, change your life, grow as a person and live life to its full potential.

Registration and Referrals

If you would like to speak to somebody your alcohol or drug use you can contact the service directly by phone, email or by dropping in to your local service.

GPs, family members, carers and friends, or any other agency, such as social services, can refer somebody into the service.

“

I have done lots of treatment and rehabs but this was different. Attending the group programme gave me the tools and belief that helped me change.

What the service does

We provide advice, guidance and support and a clear pathway to recovery if you are affected by drugs or alcohol misuse.

Our expert staff are highly skilled and experienced and are dedicated to supporting you to change your behaviour, reduce your drug or alcohol use and create a healthier, safer life.

How we work

We will support you to overcome the problems or issues that have affected your life and to move towards independence and participation in positive, healthy activities.

We encourage you to plan your own individual recovery journeys and to participate in local networks and recovery communities that can help develop your confidence and relationships and maintain your commitment to change.

“

Meeting others in a similar situation really helped build my confidence and made me realise I am not alone.

About change, grow, live

Change, grow, live is a social care and health charity that works with individuals who want to change negative patterns of behaviour and achieve positive and life-affirming goals.

Our services will encourage you to find your inner strength and resources to bring about the life and behavioural changes you wish to achieve.

Our goal is to help you regain control, change your life, grow as a person and live life to its full potential.

Our staff

Our skilled staff team consists of doctors, nurses, recovery coordinators, social workers, group workers, recovery champions, volunteers and peer mentors.

Partners

Many of our services are delivered in partnership with other treatment services to ensure that we can meet the diverse range of service users' needs.

Service user involvement and participation

Service users are involved in all aspects of service planning and delivery. We use a variety of methods to gather service users' views and opinions to ensure they inform the development of services.
